6217 '99 AUG 17 AIO:14

I strongly urge you to consider the petition filed by the Center for Food Safety, the American Humane Association, Breast Cancer Action Montreal, community Nutrition Institute, family Farm Defenders, Gateway Green Alliance, and many other organizations concerned with healthy food for American people.

We want you to withdraw approval of the use of rBHG (brand name Posilac) to be injected into dairy Cows. There are many health hazards connected with this substance, as I understand from reading the petition carefully.

Sincerely,

M. Jaeckel
